

CHURCH Street entrance to National Motor Museum grounds

Visiting Clubs to the National Motor Museum are required to enter the museum grounds via the entrance at Church Street and NOT the main car park off of Shannon Street.

To avoid congestion on main and residential roads around the Birdwood township, please ensure that all participants of your club are aware that entry is at the Church Street entrance via Warren Road.

- Please do not use Wegener or Blumel Roads.
- Please ensure that the museum's service gate at Blumel Road is NOT used.
- Please ensure road rules are adhered to and that vehicle noise is kept to a minimum whilst visiting Birdwood and the museum.

Thank you for your assistance and we hope you enjoy your visit.
